Angus & Charolais Bull Sale

SATURDAY, FEBRUARY 11, 2023

**45 Angus and Charolais Bulls sell, along with 12 bred Angus females.
Massena Livestock Sales, Massena, IA • Lunch provided • Sale starts at 1pm**

Dear Friends and Fellow Cattlemen and Women:

First of all, my family and I would like to invite you to our annual bull and female sale on Saturday, February 11, 2023 at the Massena Livestock Auction in Massena, Iowa. It is hard to imagine that it is 2023, let alone sale time again!

Even though we had very little moisture this past summer, the crop yields were much better than we expected. For that we are truly grateful. In 1977, we had a similar summer drought here with a much worse crop failure. The seed genetics have drastically improved over the last 45 years. Cattle genetics have also radically changed from that time period.

Although there have been and continue to be many fads through the years in the type and kind of cattle that are popular, we try to avoid the extremes being promoted and continue to work on

the basics of performance, eye appeal, and functionality of our cattle. We strive to improve on those basics every day.

We are selling bred heifers and cows again this year as we continue to retain replacement heifers for their current genetics. We need to sell some very good females to make room for them.

If you would like to view the cattle at the farm beforehand, we welcome that. The cattle will go through the ring in a live auction. It will also be broadcast on DV Auction if you are unable to attend.

If I can be of any assistance, please contact me. I like to talk "cattle" ... just ask my wife.

Sincerely,
Dean Carstens

Directions to sale barn: At the intersection of Highways 92 and 148, continue south approximately 1/2 mile. Turn right onto Clark Ave. In 1/2 mile turn left onto Spruce St. and make your way to Massena Livestock Auction, 78 Main St., Massena, IA.

Terms: Terms of the sale are cash or check payable upon the conclusion of the sale and before the animals are removed. Cattle will sell under the standard terms and conditions as recommended by the American Angus Association.

Breeding Guarantee: Carstens Farms guarantees all bulls sold are fertile and sound breeders. If a bull is proven to not be a breeder he may be returned if healthy and in adequate condition. The buyer may select a suitable replacement or receive credit at the next sale for the purchase price minus the salvage value. At no time is Carstens Farms liable for more than the bull's purchase price.

Food and Refreshments: Will be available sale day.

Bull Care and Trucking Arrangements: We believe that it is much better for you to take your bulls home sale day or shortly after. This allows the bulls to become acclimated to their new environment and new owners. A \$150 per bull deduction will be subtracted from the price of all bulls taken home on sale day. As a service to you, we will winter the bulls not taken home sale day free of charge until May 1, 2023. They will be semen checked and ready to be picked up then. After the bulls are sold, they are your property and responsibility. We recommend mortality insurance for your bulls. We ask that females be moved as soon as possible.

Livestock Mortality Insurance: A representative of James F. Bessler will be available to assist you with mortality insurance.

Online Bidding: View and bid online for those customers who are unable to attend the sale. For information on bidding via DV Auction, please visit DVAuction.com where you can create an account prior to the sale beginning and then can bid remotely and also view the video footage of the cattle selling.

KOUPALS B&B WINDFALL

AAA 20208329

Koupals B & B Windfall's dam is the great Blkbd Progress 3015, who is also the dam of Pathfinder 8106 who was the top selling semen bull for 2021 and 2022 at Breeder Link. Seven out of the last eight dams on the maternal side of Windfall are Pathfinders. Windfall's dam is proving to be one of the elite, low birth, high fertility cows in the breed. She has sold 11 bulls in 3 years at an average of \$23,000. Use Windfall to maintain udder quality, birth weight, and growth. His daughters should be exceptional. Semen is available from Genebrokers or Dean Carstens.
